Dear Colleague,

We are pleased to invite you to renew – or to start – your membership of the BSGIE.

With your membership, you become member of a vibrant society, organising at least two symposia in Belgium every year. We are dedicated to promote the education of our trainees, to provide you with the latest updates on “must-knows” in endoscopy-world.

Moreover, with your membership, you help to build a stronger gastro-intestinal endoscopy society, which aims to optimize the care for your patient at your endoscopy suite and to continue the debate with the official instances in optimally defending a workable endoscopy unit.

Finally, with your membership, you help to increase our scientific exposure and possibilities to do research and you are also eligible to be awarded with a grant or award for best abstract. For our membership-trainees, each year a travel grant, worth 1000 euro, can be won to visit an international endoscopy-symposium.

The membership fee for 2017 is as follows:

▪ BSGIE Member:	150 €
▪ Trainee BSGIE Member:	70 €
▪ Combined BSGIE-ESGE membership:	200 €
▪ Trainee Combined BSGIE-ESGE membership:	120 €
